November 3, 2011

---

**Public Beach Access Closed**

The North Shore Road seawall rehabilitation work begins November 3, 2011. In order to facilitate construction, the North Shore Road public beach access will be closed for the next 60 days. Beachgoers are directed to use the nearby public beach access on Broadway Street. The North Shore Road Seawall Repair and Extension Project is being constructed to protect North Shore roadway from potential erosion.
